Alpha Resource Center of Santa Barbara

Why Join?

The strength of Alpha from its inception to the present day is the fact that it is a membership organization — who are Alpha members? Parents, relatives, friends, individuals with developmental disabilities, community members, educators, business partners — committed to building a better community.

Alpha is a grassroots organization. The membership elects the Board of Directors; and the leadership is responsive to the membership.

Your membership also adds your voice to the thousands of others in the state of California and the U.S. committed to ensuring public policy that protects the rights of people with developmental disabilities.

Raise your voice!

Help Us!

The larger our local membership, the stronger our voice in directing policy with The Arc of California and The Arc of the United States — State and National organizations providing leadership in public policy and advocacy on behalf of children and adults with developmental disabilities and their families.

Your Membership enables us to:

- ◆ *Provide information, resources, and support to over 1,800 individuals with developmental disabilities and their families in Santa Barbara County.*
- ◆ *Provide social and recreational opportunities for more than 40 teens in South Santa Barbara county.*
- ◆ *Support over 40 new referrals per month for infants and children with special needs.*
- ◆ *Support over 125 adults in reaching their life-long goals.*
- ◆ *Promote a community that welcomes the participation of all people.*
