Then how
about
becoming an
Alphatarian?

alpha

EMPOWERING INDIVIDUALS SUPPORTING FAMILIES
BUILDING COMMUNITY

When you have passion in your heart for the good work of a community organization there is no better way to express it than becoming intimately involved. We recognize your need to be involved with Alpha and have established this elite Alphatarian club just for you.

An Alphatarian is on the front lines of our volunteer machine, ready and willing to help in areas that best suits their interest, desire and time frame. Alphatarians also have fun organizing socials and welcoming new members into the club.

We don't want to limit your imagination on ways to volunteer but below are a few areas that are popular with volunteers or in need of support.

Administration – helping with mailings, and other office duties...

Planting a sustainable future – working in our garden, planting, building structures, donating plants...

Development – inviting friends and family to events and tours...

Event support – planning or supporting one of our annual events (Circle of Life, Picnic, Alpha Fest, Art Shows, Work shops)

Hands-On-Work – with Katie's FUNd Teen Extreme/ Expo, or Adult services program.

Host a tour at Alpha – invite your friends, family or colleagues and then ask them how they enjoyed it.

Host a home event – Allow us to come to you for a social event where we will include a brief presentation about Alpha.

Support committees – serving on committees, coming to a monthly one-hour meeting and brainstorming about new opportunities at Alpha, and work with a team to implement ideas and structures for growth at Alpha.

If you are passionate and committed to the good work of Alpha and have a talent and some time to share we would love to explore your interests and see if the Alphatarian club is for you.
